

# Commas

Lyrics by GrammarFlip

GrammarFlip

Use a comma, when you pause or breathe;  
In lists, after names - yeah you gotta believe!  
When you need to keep it organized, or when thoughts combine;  
Yeah commas - they help your writing shine!

I like apples, bananas, and all kinds of fruit.  
Commas separate items - yeah, that's the truth.  
We need some pencils, some paper, and our books.  
Commas organize our sentences just take a look!

Use a comma, when you pause or breathe;  
In lists, after names - yeah you gotta believe!  
When you need to keep it organized, or when thoughts combine;  
Yeah commas - they help your writing shine!

Before conjunctions, yeah – that's where commas go;  
Just make sure they're coordinating – that you've got to know.  
I want to play, but I have to study for the test;  
Between independent clauses, yeah - that's the best.

Use a comma, when you pause or breathe;  
In lists, after names - yeah you gotta believe!  
When you need to keep it organized, or when thoughts combine;  
Yeah commas - they help your writing shine!

Before class, I eat my snack.  
After school, I'm already packed!  
At the park, we play all day.  
Commas that introduce make your sentences okay!

Use a comma, when you pause or breathe;  
In lists, after names - yeah you gotta believe!  
When you need to keep it organized, or when thoughts combine;  
Yeah commas - they help your writing shine!
